

# TRS PLAN 2 & 3

## Substitute's Guide

As a substitute teacher in one of Washington's public schools, you may qualify to participate in the Teachers' Retirement System (TRS). Membership in TRS is optional for substitute teachers.

Your service is reported to the Department of Retirement Systems (DRS) by each employer you work for during the year (see page 2), but contributions are

not deducted from your paycheck. If you qualify and would like to earn TRS service credit for the year, you must contact DRS at the end of the school year and pay the appropriate contributions by requesting a substitute bill.

Use the chart below to find the requirements for obtaining service credit.

\*The 2007 Legislature passed a law to end gain sharing after January 1, 2008. As part of the new law, new members of SERS and TRS will receive the choice of plan 2 or 3. If a court of law decides the repeal of gain sharing is invalid, any new SERS or TRS members after that action would not have a choice between Plan 2 and Plan 3 and would be mandated into Plan 3. For more information about how the new law may affect your plan, please visit [www.drs.wa.gov](http://www.drs.wa.gov).

How Much Service Credit is Established When I Pay My Bill in Full?	
Hours Worked	Service Credit Earned (beginning 1991-1992 school year)
<ul style="list-style-type: none"> <li>• Less than 630 hours; or</li> <li>• less than nine months of employment within the school year.</li> </ul>	1.0 service credit month for each month you work 90 or more hours
	0.5 service credit month for each month you work at least 70 but less than 90 hours
	0.25 service credit month for each month you work less than 70 hours (but more than zero)
<ul style="list-style-type: none"> <li>• At least 630 but less than 810 hours; and</li> <li>• begin working in September; and</li> <li>• work at least nine months of the school year.</li> </ul>	0.5 service credit month for each month of the school year (Sept. 1 through Aug. 31)
<ul style="list-style-type: none"> <li>• 810 hours or more; and</li> <li>• begin working in September; and</li> <li>• work at least nine months of the school year.</li> </ul>	12 service credit months per school year (Sept. 1 through Aug. 31)

### When will I receive a bill?

Upon receipt of your application materials, DRS will determine the amount of service credit you are eligible to purchase and will send you a bill for the amount due. DRS will apply the service credit to your account once you pay your bill in full, and will bill your employer for the employer contributions due.

### How do I pay my bill?

Payment must be made in full in a lump sum payment. You may make direct payment with a personal check or cashier's check. In many cases it is also possible to transfer funds from another eligible retirement account to purchase service credits (please check with the administrator of your account). DRS is classified by the IRS as a 401(a) account. Funds in excess of billing cannot be transferred to DRS.

To learn more, refer to the TRS member handbooks on the DRS Web site at [www.drs.wa.gov](http://www.drs.wa.gov).

### Will I owe interest on my bill?

The interest-free period lasts through February immediately following the end of the school year in which service was rendered. If you wait to make payment until after the last day of February, you are then charged interest on both member and employer contributions for Plan 2, and employer contributions only for Plan 3.

### Am I required to submit a quarterly report?

You are required to submit a quarterly report to DRS along with your application for service credit only under the following conditions:

- You work for a school district or educational service district (ESD) and are purchasing service credit for a period of time before the 2004-05 school year.

- You work for a higher education employer or for the School for the Deaf or School for the Blind.

### What if I withdrew my TRS contributions?

If you were previously a member of TRS Plan 2 and withdrew your contributions, you can reestablish your membership. To reestablish membership in Plan 2 you must:

- Work as a substitute teacher for five months for at least 70 or more hours per month during a school year; and
- Complete the attached Substitute Teacher's Application for Service Credit and purchase service credit for that year; and
- Pay the service credit bill in full.

If you are a Plan 3 member and withdrew your contributions, you may continue to apply for service credit in Plan 3 for substitute time you worked.
